

**Amendments to the Drawings:**

Figure 1 is objected to as it should be designated by a legend such as “Prior Art” because only that which is old is illustrated.

Figure 1 has been amended herewith to incorporate “Prior Art”, labeled “Replacement Sheet”.

The drawings are objected to as failing to comply with 37 CFR 1.84 because they include references and/or characters not mentioned in the description, in particular items 102, 104 in Figure 3; item 302, 304, 306a and 306b in Figure 5; item 402 and 404a in Figure 7; items 502, 504 and 506 in Figure 8.

Amendments to the specification have been made in compliance with 37 CFR 1.121(b).
